Notice of Public Hearing

The West Side Health Care District will hold a public hearing on August 29, 2023, at 2:00 p.m. to gather public input on draft by-zone election maps and election sequencing.

The West Side Health Care District's Board of Directors is currently elected under an at-large election system, where directors are elected by voters of the entire District. On July 27, 2023, the Board adopted Resolution 2023-02, signaling its intent to adopt by-zone elections. In a by-zone election system, each director must reside within the designated zone boundary and is elected only by the voters in that zone. The Board held public hearings on August 7 and August 15 to gather input on the composition of potential zones pursuant to Elections Code section 10010. On August 22, 2023, the District published *draft* by-zone election maps and election sequencing for the Board and public's consideration. The maps were published at the District website (<https://www.wshcd.org/by-zone-elections>), and hard copies have been made available at the District office.

On August 29, 2023, at 2:00 p.m. the Board will hold a public hearing to gather community input on the draft by-zone election maps and election sequencing. The public hearing will occur at the District office, located at **119 Adkisson Way, Taft, CA 93268**. The public is invited to participate and make comments during the public hearing. If you have any questions regarding this public hearing, please contact Robyn Melton at 661-765-7234 or rmelton@wshcd.org.
